

Enrichment Stream Application Process for Year 7 2023

Students who are interested in admission to the Enrichment Stream for 2023 are required to complete an **application form** and prepare a **portfolio**. The application form and portfolio must be submitted to South Sydney High School by **3pm on Thursday 26th May 2022**. **Application forms** are available from our school website or by contacting our Enrolments Coordinator, Ms Catherine Gordon, at catherine.gordon10@det.nsw.edu.au.

Portfolios should give the selection panel at South Sydney High School an opportunity to understand each student's profile in the academic domain as well as their application to their studies. We are also very interested in their application to their schooling beyond the classroom and ask for the inclusion of evidence of any leadership roles, co-curricular awards etc. that a candidate may be able to provide. The portfolio should show that the student applies themselves to their learning within and beyond the classroom and enjoys embracing opportunities within and beyond their school setting. Each prospective candidate is encouraged to tailor their portfolio to their individual strengths but a typical application should include:

1. A statement from the student indicating why they wish to be considered for the Enrichment Stream
2. At least two recent school reports (Semester 1 and 2, Year 5)
3. Evidence of participation in enrichment activities at primary school: Premier's Reading Challenge, public speaking competitions, sporting achievements, achievements in artistic pursuits: dance, music, visual art or drama
4. Evidence of leadership achievements or potential (school captain etc.)
5. Involvement in activities beyond school (sporting, dance, music, drama etc.)
6. Any competitions won or attempted
7. Any evidence of community work or initiatives

The application form and portfolio can be submitted

- By mail: South Sydney High School - Enrichment Stream Application, 2-36 O'Sullivan Ave, Maroubra, NSW, 2035
- By email: sthsydney-h.school@det.nsw.edu.au
