

South Sydney High School

Care Opportunity Success

BEYOND YEAR 10 INFORMATION NIGHT

TUESDAY 18th June 2019

Dear Parent /Carers,

In Years 9 and 10 your child has been studying:

- English
- Mathematics
- Science
- Geography
- History
- Physical Education
- Sport
- and a selection of elective subjects (three in Year 9 and Year 10.)

You and your child must now make some important decisions about which subjects to choose for the 2020 course in Year 11 and the HSC 2021 course for Year 12.

It is important that these decisions best suit your child's needs and fit into an overall plan for future study and/or career aspirations. This usually means choosing subjects that they have an interest in and that they will enjoy.

A Year 11 2020 Subject Selection Evening has been organised by the school to support you and your child choose the most suitable subjects. It will be held in the **School Hall** on **Tuesday 18th June 2019 from 6.30 – 7.30 pm.**

Information booklets will be issued on the evening and Head Teachers of each faculty area will be available to discuss the requirements of each subject. The careers teacher will also be available to talk with you.

PLEASE NOTE: This is an information night for parents and students and we encourage you to attend.

We look forward to seeing you.

Yours faithfully,

J Neilsen
Principal
