Year 9 SUBJECT SELECTION INFORMATION NIGHT

TUESDAY 3rd September 2019

In Years 7 and 8 your child has been studying:

- English
- Mathematics
- Science
- Human Society and it's Environment – History and Geography
- Personal Development, Health and Physical Education
- Sport
- Technology Mandatory
- Language (Spanish)
- Creative and Performing Arts – Music, Visual Arts and Drama

Your child will be choosing subjects for the Year 9 and 10 electives.

It is important that these decisions best suit their needs and fit into an overall plan for future study and/or career aspirations. This usually means choosing subjects that they have an interest in and that they will enjoy.

A **Year 9 Subject Selection Evening** has been organised by the school to support you and your child to choose the most suitable subjects. It will be held in the **School Hall** on **Tuesday 3rd September 2019 from 6.00 pm – 7.00 pm.**

Head Teachers of relevant faculty areas will be available to discuss the requirements of each subject. The Careers Adviser will also be available to talk with you.

PLEASE NOTE: This is an information night for parents and students. At this meeting a subject selection booklet will be handed out and supporting information about these selections.

I look forward to seeing you.

Yours faithfully,

J Neilsen
Principal
